Kris, are you really asking ME for a recipe? haha Remember that you and Jenna kept me alive in the Kitchen, but here is one that usually works !!

Oreo Balls

- 1 package oreos
- 1 brick cream cheese
- Almond bark

Mash up the oreos a bit. Big freezer bag + rolling pin works well. Then put in big mixing bowl and add crm cheese. Use mixer to mash together. Roll into little balls and dip in melted almond bark. Refrigerate + enjoy!
